Liability

We have a limited liability for damage caused by them to crated shipments while handling shipments and will not be responsible to concealed damage, or damage or loss of merchandise after delivery to booth before or during installation time, or at conclusion of show prior to delivery to common carrier. Shipments should be insured by the exhibitor for coverage when out of the care, custody and control of us. The condition, count, and contents of the materials found in the booths at the time of actual removal will be final and binding and we reserve the right to alter exhibitors' bill of lading to reflect actual condition, count, and contents found. We will not be responsible for damage while handling loose exhibit materials or those inadequately packed. We will not be responsible for failure or delay performing services when delay is caused by strike, labour, stoppage, or any other cause unavoidable or beyond their control. The liability is hereby limited to \$0.30 per pound per article, to a maximum of \$30.00 per article, \$150.00 per shipment. Values exceeding this limitation should be insured by the shipper.

Shipment weights

Our weight estimates are final and binding unless weigh scale tickets are provided at time of receipt of shipment. Should no scale ticket be provided, we may choose to cube the shipment and use the dimensional weight for billing purposes.
